

## Single vessel signup process

Visit the website <https://vascoapp.co> and at the bottom of the screen select 'Single vessel' and follow the on screen prompts for the necessary information to set up the vessel.

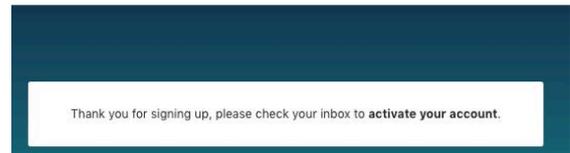

Once all details have been entered and the disclaimer read, select Register Vessel.

## Vessel Registration

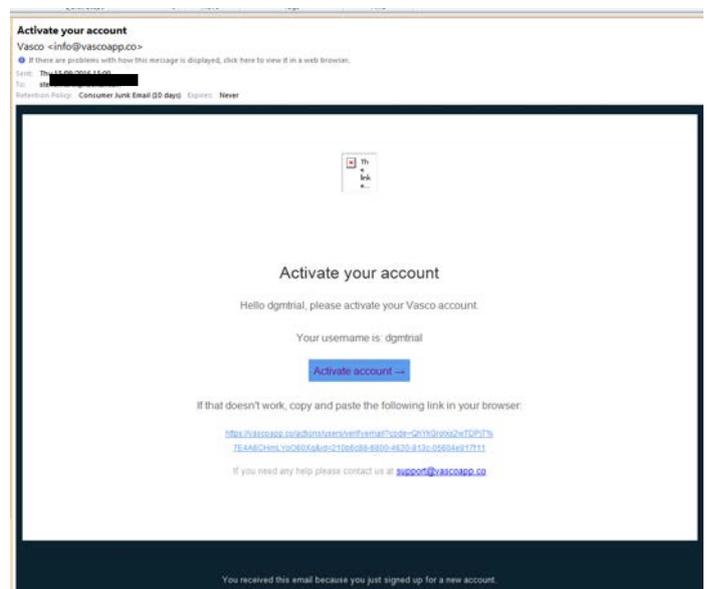

Register your vessel for the Vasco service.

Need to manage multiple vessels?

An e-mail will be sent to the account address which was provided at the registration process from which the 'Activate account' tab should be selected or if that doesn't work, copy and paste the link to your browser.

If this e-mail isn't received, check spam settings or your junk mail folder.

## Start Your Subscription

Please enter your billing details below to enable us to send you an invoice. This will provide information on paying by BACS or Credit Card. Once payment has been received your account subscription will become active following the trial period.

You are requesting an invoice for **My testing vessel**.

The Vasco App is a product of **Da Gama Maritime Ltd**.  
Be sure to take a look at our [Terms of Use](#) | [Privacy Policy](#) | [Support](#)

**Vasco**  
10 Donnington Business Park  
Birdham Road, Chichester PO20 7DU

Tel: +44 (0)1243 511084

The details requested will then be e-mailed to [support@vascoapp.co](mailto:support@vascoapp.co) which will arrive with Da Gama Maritime who can then raise the necessary invoice for e-mailing back to the client.

Management companies can access the same subscription page but are advised to contact DGM directly as we can then negotiate fleet discounts and align all payments for all subscribing vessels if preferred.

Thank you for the billing details. An invoice will be emailed to the address you provided soon.

## Individual vessel Webapp access

While the purpose of our product is for the clients to use the app to see the status of their chart outfit and apply the necessary corrections etc, they can log into their account via the internet. To do so, go to <https://vascoapp.co/login> and use the username and password of the key account holder for the vessel (the details which were used at the sign-up stage).
